

ERC June 18, 2015

Present: Claude, Dave, Tom O., Gary, Justin, Leo, Holly, Brian

Guests: Joyce Miller-Porter & Karen Jennis.... Coastal Orthopedics – Adopt a Shore – kick-off event; August 23rd. 8-11 – under 200, fishing on the pier, etc.

Claude outlined restrictions: no stakes, inflatables,

Dave recommended fishing on only one side of the pier to prevent hooking. Gary Kinder will give them a guided tour.

Embracing our Differences – would be nice to have them start a month earlier to allow for more fertilizer time. Dave G. sent a message to them to ask. Claude mentioned that some people were offended that their group had not been represented in the panels. ☺

Pickin Picnic – 2 picnic tables were left behind by Suncoast Food Trucks – Holly will make contact to remind them. One of the two has been ‘misplaced.’ A definite time will be stated or it will be considered a donation. All went well.

Florida Freedom Festival – no issues.

FUTURE:

Snooty -

Old Clock Tower – maintenance issues – rust prevention – roof will need to be removed. Amphitheater is also bubbling and blistering. Two benches near tide ponds will be converted to swing benches due to popular demand. Granite at skateboard park is breaking up. Gary contacted Planet Stone who recommended we contact a concrete company. Claude asked Gary to contact Team Pain to make sure there are no major objections. Dave suggested wet sawing the ends off.

Overabundance of 5K's – afternoon, evening runs too problematic for area businesses.... Pier 22 had expressed disapproval. Tom O. recommended moving races off of Barcarrota onto 3rd.

JBR, Pirates & Princesses, Shamrock, Ghost – evening races – Claude will take to Council the desire to prevent any evening races that take place after dark. New race configuration will work well to eliminate intrusion upon businesses. (Discuss route of Ghost again at another meeting)

Eagle 5K had been approved, then they withdrew application...Tom O. said they may resurface. To be continued.....

RB – Bradenton events website officially lives!
