Experience with AutoCAD and GIS desirable. Experience in general Public Works operations and management a plus. Familiarity with Aquifer Storage and Recovery systems a plus. Good driving record and valid Florida driver's license.

Environmental Conditions: Indoors and outdoors.

Commercial Driver License (CDL): A Commercial Driver License (CDL) is not required for this position.

Pay Grade: 126

Salary Range: Minimum: \$28.78/hr. **Maximum:** \$43.17/hr.

This job description in no way states or implies that these are the only duties to be performed by the employee(s) incumbent in this position. Employee(s) will be required to follow any other job related instructions and to perform any other job-related duties requested by any person authorized to give instructions or assignments. A review of this position has excluded the marginal functions of the position that are incidental to the performance of fundamental job duties. Duties and responsibilities are essential job functions and requirements and are subject to possible modification to reasonably accommodate individuals with disabilities. To perform this job successfully, the incumbent(s) will possess the skills, aptitudes, and abilities to perform each duty proficiently. The requirements listed in this document are the minimum levels of knowledge, skills, or abilities. This document does not create an employment contract, implied or otherwise, other than an "at will" relationship.
