Home & Lifestyle Expo

Home & Lifestyle Expo

This concept takes the regular home and garden show to a new level by bringing our vendors to where *their* customers already shop, dine and socialize. In addition, we aim to create more of a festival feel with live music, non-traditional home show vendors, activities for the children, etc. – all with the purpose to create a complete family experience. The boutique-style expo is set up very much like a market you would find in Europe.

We have previously, with success, done these shows in St. Petersburg, Sarasota, Estero and Ft. Lauderdale. Dates for the 2017 season will be announced soon.

What Women Want Lifestyle & Wellness Expo

This expo is all about products, services, and entertainment geared towards women of all ages. Women control about 85% of all household purchasing decisions, which is why it's natural to do an expo geared towards this demographic. Fashion, jewelry, skin care, health and wellness products, family...the list goes on. This is a fun filled event dedicated to women and their families where they can shop, learn and have fun.

The International Food & Lifestyle Festival

FOOD AND TRAVEL FESTIVAL

EAT * EXPLORE * ENJOY

See the world through your palette! Sample foods from local restaurants while sipping wine from some of the best wineries in the world. Sample local and national craft beer. Learn about exotic destinations. Find interesting and useful products and services for yourself, your home, lifestyle or travel purposes. Listen to live music. Cheer on your favorite chef in the cook-off contest. Have fun in the adventure area. So much to see. So much to do. So little time.

The food, wine and craft beer tents will be a ticketed portion of the event while the shopping, adventure and entertainment will be free to the public.

The Luxury Living & Lifestyle Expo

Think everything luxury – cars, yachts, jewelry, fashion, food, wine, etc. This is the expo for those who enjoy the finer things in life.

Note: All YNOT Productions events are fundraisers for More Too Life – an organization fighting human (sex) trafficking in Florida and beyond. As Florida ranks number 3 in the nation when it comes to this issue, we feel it's a very important cause and our production company is proud to be aligned with this organization and hope that you will do the same.
