Re: Regatta Celebration

Dear Mr. Mayor & Bradenton Community Redevelopment Agency

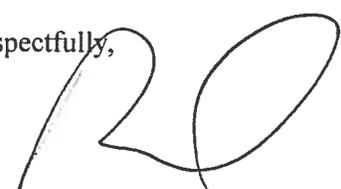

The Main Street Merchants Association is proposing to schedule, coordinate and manage a event for a Regatta Celebration. The purpose of the event is to enhance the visitor and residence experience during the 3rd Powerboat Regatta.

Saturday, February, 4, 2017

Farmer's market will run from 8:00AM-2:00PM. From 6:00PM-10:00PM a local act, Wild Root will play on the main stage located on Old Main Street. The stage will also be used as the platform for trophy presentations from the Powerboat Regatta. The street will be set up with food vendors and booths.

We are requesting that the BCRA provide \$2,515.00 to fund this special event.

Respectfully,

Rick Willats
Board President
