POOL FILL CREDIT

REQUEST FORM

A rate adjustment may be available for filling a swimming pool.

If a customer qualifies, the adjustment will be for water usage above the customer monthly average to be charged at the first block of the rate schedule. Wastewater consumption will be reduced to a monthly average. The following rules and restrictions apply:

- Request Form must be completed.
- Request must be received within 30 days of the bill date.
- One adjustment per 24 month period.
- Proof of filling pool must be provided.

Sec. 70-155. Sewer service rates and charges.

4) In the case of the filling of a swimming pool, the customer may request an exemption from the sewer charge for the amount of water placed into the swimming pool. The exemption shall be granted upon the customer furnishing the city with an affidavit, stating when the pool is to be filled or when it was filled, where the pool is located, the capacity of the pool and the amount of water to be placed in the pool. In addition thereto, the customer shall furnish to the city other evidence of the capacity of the swimming pool, including contractor's certificate or some other evidence, which will reasonably assure the city of a reasonably accurate depiction of the pool capacity. No single customer shall be granted an exemption more than once in any two-year period. The request for the exemption shall be made within 30 days after the utility bill is mailed to the customer.
