*This application is subject to the Florida Public Records law.*

The undersigned applicant(s) for water and/or sewer service agree(s), jointly and severally, if applicable, to conform to and abide by all the rates, rules and regulations provided by ordinance, code, resolution or otherwise of the City of Bradenton. I understand the use of this temporary meter(s) is limited to the City of Bradenton water utility system and shall not be used with or connected to any other public or private water or fire suppression system.

I further understand the use of this temporary meter(s) is limited to 180 days and agree to petition the Director of Public Works and Utilities if a longer time is needed. I further understand I am required to place a deposit with the city before the meter is installed, and that I will be billed monthly for base and consumption charges. Further, I agree any misuse of city equipment, damage, theft or tampering of, will subject the account holder to all penalties, fines and deposit forfeiture as authorized by City Code and Ordinance. \_\_\_\_\_ Initials
